To: David Shaw <david.shaw@pcbchurch.org>

david Shaw, You and so many people have outright LIED to me over and over.

The EVOTE.ONE SYSTEM and NOW ChristDOMAIN.org will be used by MY PEOPLE to impoverish EACH of YOU as unworthy leaders of anything or anyone.

MY Peace Peachtree Corners Baptist Church people (known as peer brethren) will certainly OUST you all just like the seasoned deacons and elders did to Dr. Bob Horner . ONLY I went to Dr. Horner directly and asked him to STOP STOP STOP micromanaging the church affairs and LIBERATE our people to GO BACK on the mission fields to greatest places of needs.

NO ONE has EVER asked WHY GOD sent me here. OR shown how criminals have denied all my rights to obtain

JUSTICE once and forever.

I am literally ASHAMED I even know your name..

ODD how I have recruited all 7.9 BILLION PEOPLE.

YOU LIED to me last week when you said you had an medical appointment right away and then were sitting in your office.

Same as JIMMY DEAL and all these hardened criminals have done. ALL by saying. OH WE NEVER Have any interest in GODs ministries to UNIFY mankind one final time.

EACH of YOU WILL BE OUSTED. your best punishment is for will of GODs people to EXILE you to greatest places of needs that includes PHILIIPINES and even North KOREA and CHINA. Even NIGERIA could use your labor on behalf of GOD and profitKEITH.com

ODD how no one has CONFIDENCE at any level to stand up to these LUCIFERS who claim they control all of GODs decisions on behalf of MY PEOPLE.

PRINT THIS off and DELIVER TO MY BOARD OF ELDERS as each of them will be OUTRAGED that each of you refuse to HAVE FACE TO FACE DEBRIEF of

YOUR current reality and near term destiny FATE of DEATH. This is predicted by ALL of GODs messianic messengers since dawn of man known as Prophets includes myself. ALWAYS THOUGHT many others used GODs common sense..

Dear Keith,

Thank you for the interest you have shown in confronting many of the moral issues of our day. We have reviewed and considered your ideas and have concluded that we will not endorse or participate in any of your

proposals. In addition, we also recognize that a chief concern of yours is to have acquaintances, friends, and/or church-elected officials accompany you in your legal matters. This is something PCBC will not participate in as well.

We recently initiated execution on a 2021-2026 Strategic Plan which will require extensive resources, participation and time to fulfill our mission of reaching families with the Gospel to see homes strengthened, the unchurched reached, and the spiritually indifferent engaged. This is where we strongly believe God has charged us and is our primary focus now.

We realize that this letter will most likely not contain information you appreciate. However, please know that thought, debate, and prayer has guided these decisions and we believe we are following the correct path.

Respectfully,

PCBC Pastoral Staff

Council of Elders
